

## Pecos Independent School District Closure and Weather-Related Plan

Please review the information below regarding 3 school closure situations:

1. 2-Hour Delay
2. School Closure
3. Early Release

**Please Note:** If all schools are open, no calls/emails will be made to parents, announcements by the media or on the PISD website. Please do not call schools, district offices, or broadcast media. If schools are closed, parents and staff will be notified by the school messenger system. Please keep your phone contact information current.

Should the need arise due to bad weather and/or questionable road conditions, PISD may implement a delayed start of all schools by 2 hours. The following is important information for parents regarding delayed start, as well as a refresher on school closure and early release plans.

1. Delayed Start of school due to weather, road conditions
  - Should the need rise, the delayed school start time will be 2 hours for all schools.
  - Delayed start decision will be made by 5:30 a.m.
  - Parent notification will be made by school messenger or tune in to local radio or television stations.
  - Bus pick up times will be exactly 2 hours later than normal pick up times.
  - Drop off and arrival times for parents dropping off students at school will be exactly 2 hours later than normal school days.
  - School dismissal times will remain on regular schedules, including bus drop-off times.
2. School Closures due to weather and/or road conditions will be called by 5:30 a.m. Parent will be notified by school messenger. Also, tune in to local radio or television stations.
3. Early Release of schools due to weather or road conditions is a possibility. If the weather forecast suddenly changes to adverse conditions, PISD may put into action an early release. Parents are urged to please develop a plan for the possibility of your student's early release to your home. Parents will be notified via school messenger of early releases.

If you have any questions regarding the inclement weather plans, please contact your unit principals or the Central Office.

Thank you for your continued support of the PISD.
