

Materials Selection and Adoption:

Procedures—

- **Each school year there is an adoption for specific subject areas for materials (i.e. textbooks, support materials, etc.)**
- **The principals will set up a unit/district-wide committee to review the materials that are approved for adoption.**
- **NMHU has a section in the bookstore that is utilized for approved material viewing.**
- **Parents, students and community members are notified via SchoolMessenger and by website notice of the request for viewing and input for selection.**
- **Committee reviews and makes recommendations to the principals who in turn make their recommendation to the superintendent of schools for purchase.**

As per policy, students are entitled to a textbook for each subject to be utilized at school and home.
