DISCIPLINE

PHILOSOPHY

Pecos Middle and High School works to maintain a system of discipline that effectively reduces behaviors in students which interfere with their learning process or the learning process of others. The best decisions for managing student behavior are based on a value system that maintains the dignity of the student and teacher. Each student and teacher must demonstrate attitudes and behaviors that contribute to a safe and positive learning environment. Maintaining a system of discipline is the responsibility of the total staff and student body with the support and cooperation of parents and community. **IT IS THE RESPONSIBILITY OF EVERY STUDENT TO READ AND BECOME FAMILIAR WITH THE STUDENT DISCIPLINE CODE. Students and parents will sign and submit the Code of Conduct Agreement within the first 30 days of school.**

EXPECTATIONS OF STUDENT BEHAVIOR

Pecos Middle and High School students will develop:

1. Respect for themselves and the rights and property of others.
2. Ability to make responsible decisions.
3. Responsive attitude towards the needs of others as well as their own.
4. Responsibility for their own learning in order to become productive citizens.
5. Their talents to the fullest - be in class, on time, every day. Contribute positively to the class and its activities.

DUE PROCESS

Pecos Independent Schools adheres to the constitutional principle that a student must be guaranteed due process whenever involved in a disciplinary situation, which might result in suspension or expulsion. The minimum constitutional requirements of due process mandate that the student be given:

1. Oral or written notice of charges against him/her
2. Explanation of the evidence school authorities have
3. Opportunity for the student to admit or deny the alleged violation and to give his/her side of the story
4. Length of time the student will be excluded from school

EXCLUSION FROM CLASS

A teacher may temporarily exclude a student from class when the student's misbehavior or the disruptive effect of a student's conduct makes the student's presence during the class period incompatible with the learning process in class. Students excluded from class must report immediately to their administrator in the designated office. **The student sent to the office must have a hall pass or referral form with the time the student is sent to the office.**

INSUBORDINATION

Insubordination, which includes not following an order or a directive from an administrator, teacher, security guard, or any other school employee is prohibited and will result in disciplinary action.

FIGHTING

Students who engage in any verbal or physical dispute with another student(s) which disrupts the classroom, school activities or the order of the school day can expect to be suspended for **at least three days**. Citations for disorderly conduct will be issued by law enforcement for any physical dispute that warrants suspension.

WEAPONS IN SCHOOL

The Board of Education determines that possession and/or use of a weapon by students is detrimental to the welfare and safety of the students and school personnel within the District. Carrying, bringing, using or possessing any dangerous or deadly weapon on school grounds, in any school building, in any school vehicle or at any school-sponsored activity without the authorization of the school or the School District is prohibited. As used in this policy, "dangerous weapon" means:

- a.) A firearm, whether loaded or unloaded, or a firearm facsimile
 - b.) Any pellet, BB gun or other device, whether operational or not, designed to propel projectiles by spring action or compressed air
 - c.) A knife
 - d.) A student involved in menacing another individual with a knife will be recommended for expulsion regardless of the size of the knife.
 - e.) Any object, device, instrument, material, or substance, whether animate or inanimate, used or intended to be used to inflict death or serious bodily injury including, but not limited to slingshot, bludgeon, brass knuckles or artificial knuckles of any kind.
- Violation of this policy shall require that proceedings for the expulsion of the student involved shall be initiated immediately by the administrator.
 - In accordance with federal law, expulsion shall be for no less than one full calendar year for a student who is determined to have brought a firearm to school. The superintendent may modify the length of this federal requirement for expulsion on a case-by-case basis.
 - The district shall maintain records, which describe the circumstances involving expulsions of students who bring weapons to school including the name of the school, the number of students expelled and the types of weapons involved as required by law.
 - School personnel shall refer any student who brings a firearm or weapon to school to law enforcement.

BEHAVIOR CODE

There are three levels of behavior code that range from minor violation to severe violations. Level I is for minor violations of school or classroom rules. The consequences for this level include verbal and written warnings, lunch detention or time out from class. Level II violations are more serious and the consequences include the assignment of multiple detentions, in-school suspension, or in some cases out of school suspension. The Level 3 code is for the most serious violation. The consequences for Level III violations include out of school suspensions, long term suspension, or expulsion. In some cases, law enforcement will be involved if a law has been broken.

Included in the definition of the violation is the allowance for the staff member to use their discretion when assigning the level of violation based on the degree of severity of the incident. For example, the code includes a violation for disrespectful act that can be contrasted with a blatant disrespectful act which requires a more severe consequence. The staff member would define the act as being disrespectful or blatantly disrespectful and then assign the appropriate consequence. The nature and circumstances of the violation will help determine the level of violation within the code. The code also contains a progressive discipline component in which students who repeatedly violate one of the code levels will be given a more severe consequence at the next level.

Level I violations will be written up by the staff member and the staff member will assign the consequence. The staff member will inform the parent in writing or in a phone call that the student has been written up for his/her behavior. The staff member will also inform the school discipline officer for serving the consequence. For Level II violations the staff member will write up the referral and send it to the principal. The

principal will assign the consequence to the student. The principal will contact a parent to inform him/her of the violation and the consequence assigned. Level III violations will include a phone call to the parent and a conference will be requested with the parent. The matter may also be referred to the school superintendent for action to be taken at the district level. A parent conference may be requested at any time so as to address any concerns regarding student behavior and conduct.

Listed below are the different code violations for each level.

Level I violation to include but not limited to:

Classroom Misconduct	Hallway Misconduct	Bus Misconduct	Playground Misconduct
Dress Code Violation	Tardiness to Class	Cheating	Disrespectful Behavior
Inappropriate Language	Not Prepared for Class	Not on Task	Teasing/Name Calling
Misuse of Electronic Equipment		Other (Not Listed)	

Level II violations to include but not limited to:

Willful Disobedience	Defiance of Authority	Unsafe Act	Fighting/Aggressive Act
Vulgar Language	Blatant Disrespectful Act	Truancy	Scholastic Dishonesty
Abuse of Technology	Theft	Harassment/Bullying	
Repeated Violations of Level I Code			

Level III violations to include but not limited to:

Violation of Weapons Policy	Violation of Drug/Alcohol Policy	Violation of Tobacco Policy
Vandalism	Sexual Harassment	Verbal or Physical Assault
Violation of State Law	Repeated Violation of Level II Code	

BULLYING PREVENTION

Bullying is one or more of the following behaviors that occurs to the point of interfering with the student's educational opportunities:

- When a person is exposed, over time, of repeated negative actions.
- When one person has more power, so the person being victimized feels that he/she can't defend him/herself.
- When a person, who is a target, may feel embarrassed, hurt, scared, and/or angry.

Bullying will not be tolerated. Unacceptable behaviors that interfere with the respect, responsibility and safety of students include all aspects of bullying:

- **Physical Aggression:** pushing, grabbing, hitting, shoving, pinching, spitting, tripping, etc.
- **Social Alienation:** gossiping, embarrassing others, ethnic slurs, excluding from a group, comments made towards a person regarding their choice of practice of an alternative lifestyle, etc.
- **Verbal Aggression:** mocking, put-downs, using profanity at others, etc.
- **Intimidation:** threatening others to do something, threatening with a weapon, playing a dirty trick, hazing, etc.
- **Cyber Bullying:** involves the use of information and communication technologies to support deliberate, repeated, and hostile behavior by an individual or group that is intended to harm others.

Reporting Bullying:

Bullying cannot be investigated or corrected by the district until the district has been made aware of such bullying. Therefore, persons are directed to report all incidences of bullying to either a teacher, counselor, assistant principal, or principal in their school building.

Consequences for Bullying:

If the conduct is determined to be bullying, the district shall take all reasonable action to end the bullying, to prevent recurrence, to prevent retaliation against the student making the report and anyone participating in the investigation and to restore lost educational opportunities to the bullied student. In addition, the bully shall be disciplined according to any applicable discipline policy. The bully may be suspended/expelled/excluded in accordance with policy.

SMOKING AND/OR USE OF TOBACCO, VAPOR, OR ELECTRONIC CIGARETTES (E-Cigs)

Smoking and/or use of tobacco will be handled in the following manner:

- **STUDENTS, EMPLOYEES, PATRONS, AND VISITORS SHALL NOT USE TOBACCO IN ANY MANNER ON CAMPUS.**

Consequences for tobacco use: –

First Offense	Parent Contact and 1 day suspension
Second Offense	Parent Contact, 3 day suspension and recommendation for cessation class
Third Offense	Five-day out-of school suspension and recommendation for cessation class
Fourth Offense	Five-day suspension, recommendation for cessation class and report to Superintendent

CONCERNING STUDENT CONDUCT IN THE PUBLIC SCHOOLS

State Law provides "...Due process of law to all persons involved, for mandatory procedures to be used following instances of assault upon, disorderly conduct toward, harassment of, or any alleged offense under the "New Mexico Criminal Code" directed toward a school teacher or school employee or instances of damage occurring on the premises to the personal property of a school teacher or school employee by a "student."

STUDENT INTERROGATIONS, SEARCHES AND ARRESTS

The Board of Education seeks to maintain a climate in the schools, which is conducive to learning and protective of the safety and welfare of staff and students. To achieve this goal, it may be necessary for school personnel to search the person and/or the personal property of the student and to seize any property deemed to be contraband and/or injurious or detrimental to the safety and welfare of students and staff.

Searches Conducted by School Personnel:

- Searches shall be conducted by the principal or designee when the principal or designee has **reasonable suspicion**/reasonable grounds for suspecting that a search will turn up evidence that the student has violated either the law or Board policy. When reasonable suspicion/reasonable grounds for a search exist, the principal or designee shall search a student and/or the student's property, including backpack, while on school premises or during a school activity under the circumstances outlined in this practice and shall seize any illegal, unauthorized or contraband materials.
- Any search conducted by the principal or designee shall respect the privacy of the student and not be any more intrusive than necessary, considering the age and sex of the student and the nature of the suspected infraction. The parent or legal guardian of the student should be notified as soon as possible prior to the search and shall be given the opportunity to be present while the search is being conducted. After a concerted effort to do so, if the parents or legal guardian are not located, and further delay would be disruptive to the process, the search may proceed. If the parents or legal guardian are not notified prior to the search, the person performing the search shall document such and the reasons therefore. Whenever possible, the student shall be informed of the reason(s) for conducting the search and the student's permission to perform the search shall be requested. A student's failure to cooperate with school officials conducting a search shall be considered ground for disciplinary action. Immediately after a search,

an administrative report shall be prepared by the school official conducting a search explaining the reasons for the search, the results and the names of any witnesses to the search. Whenever possible, another person shall be available to witness the search. If the search produces evidence to be used as the basis for disciplinary action, the report shall be filed in the student's cumulative folder.

Definitions:

1. "Reasonable suspicion"/"Reasonable grounds" is the standard for a search on school property or at school activities carried out by school authorities. Reasonable suspicion/reasonable grounds should be based on facts provided by a reliable informant or personal observation which cause the school official to believe, based on personal experience, that search of a particular person, place or thing would lead to the discovery of evidence of a violation of Board policy or state or federal laws. Reasonable suspicion/reasonable grounds requires more than a mere hunch.
2. "Contraband" consists of all substances or materials prohibited by Board policy or state law including but not limited to drugs, alcoholic beverages, guns, knives, other weapons and incendiary devices.

Search of School Property by School Personnel:

School lockers, desks and other storage areas are school property and remain at all times under the control of the school. School property provided for the use of students is subject to inspection, clean-outs, access for maintenance and search pursuant to this policy. Students shall assume full responsibility for the security of their lockers and/or other storage areas in the manner approved by the administration. Students shall be responsible for whatever is contained in desks and lockers assigned to them by the school. The principal or designee may search a desk, locker, or any other storage area and its contents when there are reasonable suspicion/reasonable grounds for a search. Whenever possible, another person shall be available to witness the search.

Search of the Student's Person by School Personnel:

The principal or designee may search the person of a student if the school official has reasonable suspicion/reasonable grounds to believe that the student is in possession of contraband. Search of the person shall be limited to the student's pockets, any object in the student's possession such as a purse, shoes, sock, briefcase or backpack, and/or a "pat down" (systematic touching from shoulder to ankle) of the exterior of the student's clothing. Searches of the person shall be conducted out of the presence of other students and as privately as possible. At least one but not more than three additional persons of the same sex as the student being searched shall witness but not participate in the search. The parent/guardian of any student searched shall be notified of the search as soon as reasonably possible. Searches of the person, which require removal of clothing other than a coat or jacket, shall be referred to a law enforcement officer. No strip search shall be carried out by any school employee.

Seizure of Items:

Anything found in the course of a search conducted by school officials which is evidence of a violation of law or Board policy or school rules or which by its presence presents an immediate danger of physical harm may be:

1. Seized and offered as evidence in any suspension or expulsion proceeding if it is tagged for identification at the time it is seized. Such material shall be kept in a secure place by the principal until it is presented to appropriate law enforcement officials at the hearing.
2. Turned over to any law enforcement officer in accordance with this policy.

Appeals:

Within 10 school days after a search, the student may appeal the search decision to the superintendent who shall investigate the reason(s) and circumstances of search. The superintendent shall issue written findings within five school days after receiving the appeal. The appeal can go to the Board of Education if there is still disagreement. It must be placed on the agenda for action.

LAW ENFORCEMENT INVOLVEMENT

Search and Seizure:

The principal or designee may request a search on school premises, be conducted by a law enforcement officer. When law enforcement authorities are involved in the search, the search will be conducted under criminal law standards rather than under the provisions of this policy. When law enforcement officers respond to such a request, no school employee shall assist or otherwise participate in the search unless under the direct order of the law enforcement officer. If law enforcement personnel seek permission from school authorities to search a student, the student's personal property or school property to obtain evidence related to criminal activities, school officials shall require the police to produce a valid search warrant before the search is conducted unless:

1. There is voluntary consent by the student.
2. Law enforcement advises there is probable cause and circumstances exist such that taking the time to obtain a search warrant would frustrate the purpose of the search.
3. The search is incident to an arrest and is limited to the person immediate surroundings.

Interrogation:

When law enforcement officials request permission to question/interrogate student-suspects, when the students are in school or participating in school activities, a parent, guardian, legal or physical custodian shall be present unless the student is over 18 or emancipated as that term is defined in state law. Every effort shall be made not to draw any attention to the student being questioned by conducting the interrogation in private and with as little disruption to the schedule as possible. If the subject of the interview is school-related, the law enforcement officer may interview the student witness/victim.

Custody and/or Arrest:

When custody and/or arrest by the police is involved, all procedural safeguards as prescribed by law shall be observed by the law enforcement officers. This includes all due process procedures including but not limited to obtaining proper arrest warrants where required. Parents/legal guardians shall be notified immediately when custody and/or arrest by the police is involved.

ATTENDANCE/TARDY POLICY

Regular, daily attendance in class is of prime importance in the educational process. All students are expected to attend school for all days of the established school calendar as approved annually the Board of Education and in compliance with the New Mexico School attendance law. Attendance is the responsibility of the student, parents, and the school. The importance of regular, daily attendance as a basis for academic achievement cannot be overemphasized. All absences have a negative effect upon instructional continuity, regardless of the attempts to make up work. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Parent and Student Commitment to the Attendance/Tardy Policy:

1. Oversleeping is not an excused tardy or absence.
2. Middle School is a relatively safe time to learn that there are consequences for actions. It is important for students to develop a good work ethic for the future.
3. Students will not be excused from one class to work on assignments for another course.
4. Students may not miss or be late to another teacher's class for any reason (testing, errands, assembly set-up, etc.) without receiving permission in advance from the teacher who class the student will be late to or will miss.
5. Pecos Middle and High School will continue to honor field trips and other school-related excused activities. The crux of this rule is to deal with situations where there is a consistent disregard for this process. As always, certain situations warrant flexibility.

ABSENTEEISM

Regular and punctual attendance is a significant factor in a student's ability to succeed in school. Frequent absences may lead to poor academic work, lack of social development and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent tardiness or absence. Procedure to address unexcused absence and excused absence attendance issues: The schools shall monitor all student absences and keep separate daily breakdowns of unexcused absences, unexcused tardies, excused absences and excused tardies.

1. **Excused Absences:**

Regular attendance and punctuality are essential to success in school. Therefore, in accordance with district and state laws, Pecos Middle and High School have established the following:

Excused absences – The school may require suitable proof regarding an excused absence for:

- a. Personal illness (a doctor's note may be required)
- b. Required court appearance
- c. Religious holiday
- d. Family emergency, such as:
 - Death in the family
 - Wedding
 - As determined/approved by an administrator
- e. Approved school-related function

2. **Unexcused Absence:**

- a. Absences not addressed above are unexcused.
- b. Each unexcused absence shall be entered on the student's record. The parents or guardian of the student receiving an unexcused absence shall be notified orally or in writing by the district of each unexcused absence. For unexcused tardies and/or unexcused hourly absences shall equal one unexcused daily absence. In accordance with the law, the district may impose academic penalties, which relate directly to classes missed while unexcused. The administration shall develop regulations to implement appropriate penalties. Students and parents or guardians may petition the Board of Education for exceptions to this policy or the accompanying regulations provided that no exception shall be sustained if the student fails to abide by all requirements imposed by the Board as conditions for granting any such exception.
- c. Students and parents have one school day to clear an unexcused absence.

3. **School approval for Extracurricular Educational Experiences:** A student's request to participate in extracurricular educational experiences outside of the school building may be approved for up to five days under certain circumstances and on a case-by-case basis. Any absences beyond the five days shall be treated as unexcused. Approval shall be left to the discretion of the school's principal. The principal shall use the following criteria in determining whether a student is permitted to engage in said extracurricular educational experiences.

- a. The student is in good academic standing (2.0 GPA with no more than 1 F).
- b. The student has no unexcused absences and no unexcused tardies.
- c. The student has 5 or fewer excused absences in a semester or 9 or fewer excused absences for the school year.
- d. The student who is pursuing a work-study program under the supervision of the school;
- e. The student who is attending any school-sponsored activity or activities of an educational nature with advance approval by the administration.

4. School Approval for “Family Business” Days: In advance of the scheduled days, a student’s parent/guardian may request an excused absence to attend to “Family Business” (i.e. funeral, wedding, etc.) excused absence not to exceed three (3) days per year if the following conditions are met:
 - a. Student is in good academic standing (2.0 GPA with no more than 1 F); and
 - b. Student has no unexcused absences and no unexcused tardies;
 - c. Note: “Family Business Days” exceeding three (3) days per year will be counted as unexcused.
5. To excuse a student, a parent shall notify the school on the day of the absence via telephone, written notification or through other verifiable documentation as required by the school administration.
 - The district may require suitable proof regarding the above exceptions, including written statements from medical sources.
6. Alternate educationally rewarding experiences such as travel when requested by the parent(s) in advance may be designated as an excused absence if approved by the principal and the assigned school work is made up. The requirements for approval for “Family Business” Days applied from number 4 above.

Check-out procedure during the school day:

1. When it becomes necessary for a student to leave school, the following procedure must be followed:
 - A note or phone call from a parent must be received by the Main Office. On this note, a phone number of a contact person shall be listed.
 - The school will call the parents or legal guardian to verify a phone call or note received to release a student from school.
 - The school must contact only the individuals listed on the emergency contact list filled out by student’s parents. A student may be released to or visited only by the individuals listed on the emergency call card. If an emergency call card is missing on a student it shall be the responsibility of the student and parent to complete a card and return it to the school.
 - Parents listed on the emergency call card must come into the school building to sign out their son or daughter in person. If a student drives to school, a written permission form must be on file before a student will be allowed to leave school without a parent. The school shall call parents to inform them that their son or daughter is being released from school.
 - In the event a parent (listed on the emergency call card) cannot be reached, a student shall not be released from school. A student leaving on his or her own accord shall be considered to be truant.
 - Students must sign out in the Main Office before leaving campus, even if they have received a pass excusing them from class. Failure to sign out is cause for disciplinary action.

PECOS MIDDLE SCHOOL ATTENDANCE INTERVENTION PLAN:

Attendance Intervention Plan:

The Middle School will follow the following protocols regarding absences:

- Three absences in a class: Teacher will call and notify the parent/guardian.
- Five absences in a class: A meeting will be held with the parent, the teacher, the principal and the truancy liaison.
- Seven absences in a class: Parent meeting with the attendance team and the creation of an attendance plan and contract.
- Ten absences in a class: Home visit by the principal and the truancy liaison.
- Fourteen absences in a class: Parent meeting with the principal and the truancy liaison.
- Eighteen absences in a class: The attendance team will review student absences and determine if the student is to receive credit for the class.

Tardy Procedure:

1. Definition: Tardiness is defined as the appearance of a student without proper excuse after the scheduled time that a class begins. Because of the disruptive nature of tardiness and the detrimental effect upon the rights of the non-tardy student to uninterrupted learning, penalties shall be imposed for excessive tardiness.

- Whether a student is tardy or not is left to the discretion of the teacher.
- Administrator will decide on discipline and administer consistently, if tardies continue.
- If a tardy results in missing at least 20 minutes of the class period, it will constitute an absence, and must be cleared before admittance to class.
- Tardy procedures start over at the beginning of each semester.
- Students who are late to First Period will need to get an admit slip from the front office.

1. Consequences:

- One tardy: Warning
- Two tardies: Lunch Detention and a phone call home.
- Three tardies: Two days of Lunch Detention.
- Four or more tardies: Truancy officer contacts parent. The issue is referred to the principal and an attendance contract is developed with the parents.

•

2. Tardiness Intervention Plan: As a response to increased tardies and student traffic in the halls during class, random tardy sweeps will be conducted throughout the school year:

- Students found in the hallway after the bell will be given a lunch detention.
- Students who have been swept will then be given an admittance slip to return to class.
- Students who are caught in multiple tardy sweeps will be given graduated consequences.
- Students who are continually found roaming the halls will have hall pass privileges revoked. Teachers will be instructed not to issue hall passes to these students.

STUDENT DRESS REGULATIONS

One step toward creating a safer, more peaceful campus is to enforce behavior and dress codes consistently and fairly. The following guidelines provide reasonable measure to address student conduct and dress that will improve the overall school environment. Most importantly, this policy offers students and parents the opportunity to keep school attire simple and inexpensive. Students should take personal and social pride in keeping their school free from disruption and disorder. PERSONAL TECHNOLOGY

To ensure privacy and focus on learning in classrooms, cell phone or personal technology (iPad, tablet, etc.) use is not permitted during class time. Phone use is limited to before school, during lunch, and after school and in passing time. Inappropriate cell phone or personal technology use will result in disciplinary action. Student phones will not be allowed in class.

If a student brings a phone to class, the teacher will collect the phone and return it to the student at the end of the period. Students who violate the rule will have their phone picked up and turned into the office. On the first offense, the student will be allowed to pick up the phone from the office. After the first violation, a parent will be required to pick up the phone. Frequent and/or abuse of the phone policy may result in a complete loss of personal phone privileges.

Exceptions to the personal technology use are only made for educational purposes sanctioned by the teacher and for Assistive Technology; both of which must have principal approval.

A phone for student use is located in the Main Office. Calls from this phone are to be made to parents/guardians for school related issues only. You may use this phone before and after school, during passing periods and at lunch.

COMPUTER LABS

Pecos Middle and High School have computer labs available for classroom instruction. The lab is only used under the supervision of an adult. Computer use is also permitted within individual classrooms or in the library with teacher supervision. Misuse, illegal use and/or hacking of technology, computer equipment and/or software is prohibited. Consumables, such as food, beverages, or gum, are permitted in the computer labs. Students are to only be on sites identified by the teacher. Students are to not “surf” the internet or be on any personal social media sites.

PUBLIC DISPLAYS OF AFFECTION (PDA)

Being overly affectionate in school creates an environment that is not conducive to concentration and learning, therefore students should refrain from inappropriate, intimate behaviors on campus or at school related events and activities. Students are expected to show good taste and conduct themselves respectfully at all times.

Inappropriate public displays of affection will not be tolerated. This behavior will result in a parent meeting and possible suspension if inappropriate behavior continues after being warned. The expression of feelings of affection toward others is a personal concern between two individuals and not of others surrounding them. Therefore, good taste and respect for others is the guideline for appropriate behavior.

CLASSROOM EXPECTATIONS

We want to ensure that the classroom is a great place to learn and work. We want all students to achieve their potential at PMS. Therefore, we want to create quality learning climate in every classroom. To help with this, all students are expected to come to class ready to learn. Students are to bring notebook, writing utensil, textbook and homework each day. Students will not be allowed to go to lockers to get basic materials. The teacher will provide materials for unprepared students. Students who do not come prepared for class will fall under the disciplinary consequence code.

Students are to demonstrate good behavior at all time. Students are to allow the teacher to teach and fellow students the opportunity to learn. Behavioral expectations will be strictly enforced. Students who fail to demonstrate good behavior will be disciplined under the school code. Student may lose privileges or extra-curricular activities for poor behavior. The teacher will contact parents when behavioral issues do not improve.

Students are not allowed to have cell phones out, nor are students to have head phones or ear buds in class. Students are not allowed to bring in anything other than what is needed for class. Items such as blankets, stuffed toys, fidgets, computer games, and backpacks are not allowed in the classroom.

Pecos Middle and High School

Code of Conduct and Discipline Policy Agreement

In order to maintain a system of discipline that effectively reduces behaviors in students which interfere with their learning process or the learning process of others, we the undersigned have read and agree to uphold the *Pecos Middle and High School Code of Conduct and Discipline Policy*.

Failure to uphold the tenets of this document will result in the consequences delineated herein.
